

## Welcome to Olivine Wine Bar

Here at Olivine our wine list is designed to provide something for everyone. It's intended to present timeless classics along with unique modern styles. We carry some of the more well-known names in the wine world, and love to support the lesser known and sustainable producers.

Supporting sustainability is especially important in the viticulture industry to protect the terroir that provides so many jobs, expression, and joy.

We'd like to recognize the many viticulturists who respect and replenish these beautiful terroirs not only locally, but around the globe. Without incredible terroir there would be no wine.

We also respectfully acknowledge the Wurundjeri People of the Kulin Nation, who are the Traditional Owners of the land on which our venue along with many vineyards exists and pay our respects to their Elders past, present and emerging.

We also acknowledge and respect the Traditional Owners of lands across Australia, their Elders, Ancestors, cultures, and heritage, and recognise the continuing sovereignties of all Aboriginal and Torres Strait Islander Nations.

## Signature Cocktails

*Here in Olivine, we pride ourselves on experimental cocktails that do justice to our beautiful and historic setting. These bluestone walls inspired this cocktail list full of brooding and bold cocktails; we aim to bring springtime to Olivine via vibrant flavours for an intense experience.*

### **Enchanted Sip** 26

*Rhubarb vodka meets elderflower, zesty lemon, and pineapple, with rhubarb bitters and agave, adding touch of complexity. A bright, floral escape in every sip.*

### **Berry-Vaider** 26

*Tastebud adventure! Blending the richness of scotch whisky with the sweetness of strawberries via sous vide. A cocktail with pizzazz softened by berries to add a bright, unexpected layer of flavour to this classic red cocktail.*

### **Ostara Martini** 26

*Named for the goddess of the spring equinox, our house martini is herbaceous and fresh. The Botanics of Hendricks Gin are enhanced by the delicate, anise-like flavour of fennel and cucumber vermouth. Smooth and aromatic, to welcome in the new season with savoury complexity.*

### **The Bluestone** 25

*Inspired by the 170-year-old walls that surround us. A floral and elegant creation, where the boozy botanicals of gin are softened by the perfumed notes of violet. Delicately coloured with a pale lavender hue, it's aromatic, vintage-style drink with a sweet finish.*

## Pentridge Cocktails

*These cocktails highlight who we are as a venue and the flavours that inspire us. Our spring House cocktails are perfect for sipping and smashing, regardless of where you choose to dine. Welcome to Pentridge!*

### **Accountant Martini** 27

*Are you ready to indulge in a vibrant twist on a classic. Pineapple rum, vanilla, yuzu and the perfect combination for a martini! Finished with a sparkling shot of prosecco, it's bold and zesty to spark some fun.*

### **Pearl Sangria** 26

*A refreshing take on the perfect picnic cocktail! Our blend of house pinot grigio, citrus, and ripe blueberries. Lightly sweet and bursting with berry flavour, it's the perfect drink for warm nights.*

### **Negroni Bianco Verde** 25

*A crisp, herbaceous white negroni perfect for spring. Blending gin, white and dry vermouth with the subtle aniseed notes of fresh fennel. The result is a bright, bittersweet cocktail with a clean aromatic finish.*

### **Barrel & Beet** 25

*Sweet, earthy and boozy; what more could you ask for? The house made beetroot shrub syrup adds a rich and vegetal note to the traditional Old Fashioned, sure to put a spring in your step.*

### Jean Yves Peron

On a quest to revive neglected vineyards in the French Alps, Jean Yves Peron has been labelled as an artist of maceration. Using biodynamic and organic practices, this winemakers focus is about creating captivating, non-interventionist styles. The use of skin-contact and carbonic maceration gives the below white grape varieties an oxidative complexity balanced with a bright acid.
